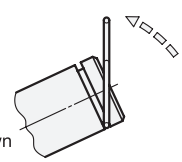
Specification

Recess for retaining rings and retaining rings GN 111.6 (Stainless Steel) according standard sheet

→ *Page 879*



The retaining rings are to be mounted in direction as shown in the drawing.

Information

The standards listed can be delivered with loss protection GN 111.7 with a recess and a retaining ring.

The retaining rings are delivered unassembled, as disassembly can lead to their deformation.

Ball chains / Retaining cables are to be ordered separately.
