RE: Approved Supplier for Mechanical & Nitrogen Die Springs

Please be advised that Moeller Manufacturing – Special Springs meets all General Motors Die Standard requirements for mechanical and nitrogen gas springs.

Moeller Manufacturing – Special Springs has excelled as a value added supplier with their innovative products and services for General Motors.

GM (global) Die Design Standards team is in the process of eliminating regional specific components by adopting components that meet world class die requirements for cost and performance. Moeller Manufacturing – Special Springs offers a full range of nitrogen gas springs in accordance with GM (global) Die Design.

The GMDDS team will evaluate applicable components and delay systems offered by this supplier.

David Mathes
Senior Manufacturing Engineer
Global Die Standards
