

Linear slides

Types

<p>Linear slides with inside traversal distance GN 2402 → Page 5</p>		
<p>Teleskopik linear slides with partly outside traversal distance (Partial extension) GN 2404 → Page 6</p>		
<p>Teleskopik linear slides with S-shaped intermediate profile (Full extension) GN 2406 → Page 7</p>		
<p>Teleskopik linear slides with rails connected in H-shape (Full extension) GN 2408 → Page 8</p>		
<p>Teleskopik linear slides with runners connected in dual configuration (Full extension) GN 2410 → Page 9</p>
